# Kilmore Chairman's Address

Today is a great occasion for our club to play in the Junior A county final and is the culmination of the hard work and discipline shown by this panel in what has been an unprecedented & challenging year.

During this time the club has displayed a togetherness and determination to overcome and succeed, epitomised by this group of player's work rate and discipline both individually and collectively to get to today's county final.

This represents a great opportunity to deliver on the potential displayed by this group over the last number of years and bridge a near 50-year gap since we last competed in the Junior grade. Standing in our way is a very formidable opponent and we know nothing will be won today without a very tough battle.

The players dedication has been driven by the commitment and dedication of their management team who bring a wealth of experience with them today. The team is led by manager Mark Roche and is assisted by selectors Johnny Berry, Kevin Keating and Stephen Connolly.

I would like to take this opportunity to thank the County Board and fixture committee for their hard work this season and innovative single code solution for this year's truncated championship. This I am sure has provided food for thought and no doubt aided both clubs better known for big ball exploits route to today's final.

I would also like to thank everyone within the club who helped in any way in the running of the club throughout the year, without their time, energy and endless enthusiasm the club cannot work.

I would especially like to thank our main sponsors Saltees Fish, Sofrimar, Inish Pebble and Mary Barry's Bar and Restaurant. Thanks also to all those who supported us in our recent Strictly Dancing Fundraiser. It is our intention to complete this event when we hopefully get back to normal in 2021.

To my fellow officers and committee members, and those who organised the colours around the parish – many thanks for your support.

A special mention also to the extended hurling panel, who are unfortunate not to make the final panel for today's game. Their commitment has contributed to invaluable competitive training sessions since we regrouped in early July.

Finally, to the supporters who can't be with us today, the players today know they carry your support and good wishes, they hope to do you all proud today. We would like to wish the players, mentors and match officials the best of luck, we look forward to a great game today with a favourable result.

# Clongeen Chairman's Message

A Chairde,

It is a great honour and privilege for me as Chairman of Clongeen GAA Club to see our hurling team back in Chadwicks Wexford Park on county Final Day.

Reaching a county final in any grade is not an easy task and the effort and commitment from our group of players has been fantastic. All overseen by management team, Manager - Denis Rochford, Selectors – Sean Murphy, Willie Colfer and James Purcell. A special word of thanks to trainer/selector Eddy Maloney whose enthusiasm, drive and love of the game of hurling is widely acknowledged and appreciated in Fr. Wheeler Park, Clongeen.

This year has proved very challenging for all clubs and I would like to commend our players, selectors and supporters for their adherence and compliance with all the Covid restrictions and regulations put in place. I would also like to commend the volunteers in our club who put their names forward to participate in scheme with Wexford Co. Council to help the elderly and vulnerable in our local

communities. It's been a very tough year on our supporters, not being able to attend games, but hopefully our Facebook page, club phone and Twitter have been some assistance to you. We look forward to seeing you at games in the near future.

I would like to acknowledge the amount of work and effort of Wexford County board in successfully running championships in unprecedented times.

I would like to thank our main sponsor Mythen Construction, their continued support is greatly appreciated.

I would also like to thank all our committee members in the club whose work ensures the smooth running of the club and facilities, and all club members and members of the parish for their continued support in all our endeavours.

Looking forward to a good sporting game and hoping to see the cup in Fr. Wheeler Park on Saturday night.

Go raibh maith agat

# A Word from the Clongeen Captains

It is a great privilege and honour to be entrusted with the captaincy of your club team in any year. We are particularly proud to represent Clongeen this year as we line out in Saturday's Junior A Hurling Final.

It has been a difficult and uncertain year for every club but the players, management and club officials have shown great determination, commitment and togetherness to get to the county final despite these difficulties. The last few seasons have brought highs and lows for Clongeen but a lot of good work has been done and progress made which has given us the opportunity to achieve success again this weekend.

We would like to thank our teammates for their hard work and commitment throughout the year and wish every player the best of luck on Saturday. We would also like to sincerely thank our management team of Denis Rochford, Eddie Moloney, James Purcell, Séan Murphy and Willie Colfer. Your passion for hurling and belief in this group of players has been instrumental in getting us this far and hopefully we can go a step further together on Saturday.

Finally, to our families, partners, friends and supporters who have had to follow our journey on Twitter, in the newspapers and on the radio – on behalf of all the players we thank you for your constant support and encouragement and will do our utmost to bring the cup back to Clongeen this weekend.
